Dual-Function Double Sliding Chilled Case

The practical double sliding chilled case is perfect for storing dairy products, fresh fish or meats. It stores food at around 0 degrees ensuring lasting freshness.

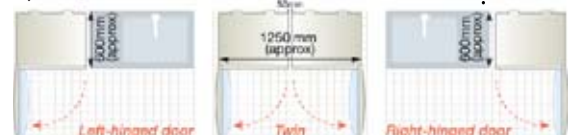

DOOR ALARM

* Stop food spoilage in your freezer drawer and fridge compartment.

- Silver Titanium Deodoriser
- Surround Cooling System
- Super Quiet Operation
- Double Sliding Chilled Case
- Crystal Shelves
- Multi-Purpose Egg Shelf with One Egg Rack
- Frost Free and CFC Free
- Automatic Ice Maker
- Multi-Purpose Door Pockets
- Four Castors and Two Adjustable Feet
- Convenient slide-out drawer perfect for storing your Fruit & Vegetables

Slim and Compact Design

Great when space is at a premium. Ideal for apartments, town houses or semi-detached dwellings.

Easy Access

Designed to take frequency of use into consideration means the refrigerator is located at the top, the fruit and vegetable humidity drawer is in the middle and the freezer drawer is at the bottom. This design minimises the amount of bending required when accessing your refrigerator.

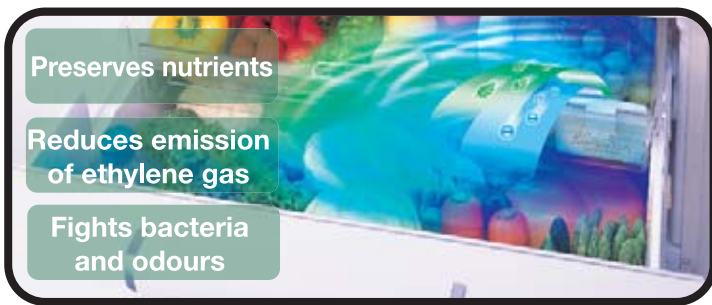

Range Key Features

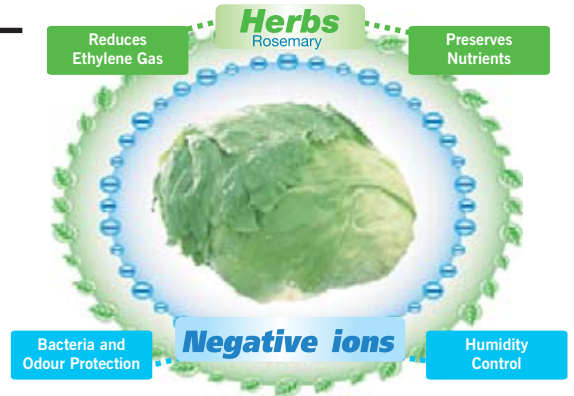

VEGETABLE CRISPER WITH VITAMIN GUARD

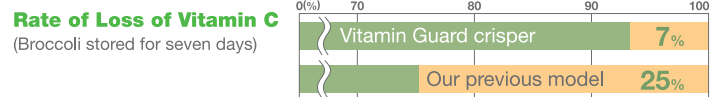

The double protection of herbs and negative ions help preserve the freshness and healthy goodness of your vegetables. The negative ions help ward off bacteria, absorbing unpleasant odours and preserving the flavour of your vegetables, while the herb essence protects your vegetables nutritional value by slowing down vitamin oxidation.

DOUBLE PROTECTION

Now four times more effective at preserving nutrients

MR-385, MR-420 & MR-455

The Automatic Ice Maker

The ICE MAKER produces clean, fresh ice cubes, automatically. Simply fill the water tank with water, which in turn supplies water to the ice cube trays. As soon as the water is frozen, the cube trays are automatically twisted and the cubes fall into the ice cube bin that is located within the bottom freezer drawer. To ensure the delivery of clean, fresh ice cubes every time, the water supply can easily be removed for periodic cleaning.

MR-CU375 & MRCU415

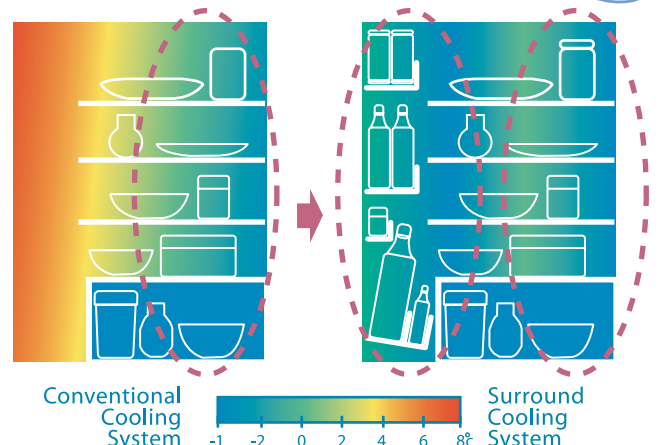

COOLING SYSTEM TECHNOLOGY

Surround Cooling System

We have developed an advanced cooling system that evenly distributes airflow throughout the fridge by distributing constant airflow at each shelf from every direction inside the compartment. Cool air flows around the back, the sides and in front of the compartment in order to minimise the loss of cool air. As a result, all areas inside the compartment, even door pockets quickly regain optimum cooling temperatures after opening.

Frost Free Freezer

MF-U160S

WHITE

Frost Free Freezer

Say goodbye to manually having to defrost your freezer. The new Mitsubishi Freezer is Frost Free and automatically stops ice build up in the freezer compartment.

Slim Line Upright Design

The modern slim line design features a door that opens up to 90°C and all drawers can be pulled out completely.

- Frost Free Freezer
- Multi Purpose Sliding Case
- Rapid Cool Mode
- Aluminium Tray
- Ice Tray
- CFC Free
- External Temperature Control
- Door Pocket
- Adjustable Foot

Energy Efficient Design

The **External Temperature Control Panel** allows manual temperature adjustments easily be made without losing cool air.

The **Multi Purpose Sliding Cases** keep the freezer cooler by minimising loss of cool air. There are plenty of drawers to keep the freezer tidy and each drawer has plenty of space to store many food items.

The **Aluminium Tray** speeds up freezing time especially handy for quickly freezing large bulky items using rapid cool mode.

Frost Free Freezer

Say goodbye to manually having to defrost your freezer. The Freezer is Frost Free and automatically stops ice build up in the freezer compartment.

Multi Purpose Box

The multi purpose box can be adjusted to store various food items. It can be used to store eggs, other small food items or used for separately storing fruit in the vegetable compartment.

- Transparent Ice Maker
- Multi Purpose Box
- Fruit and Vegetable Crisper
- Large Bottle Pocket
- Crystal Shelves
- CFC Free
- Extra-Large Frost Free Bottom Mount Freezer
- Multi Purpose Sliding Case
- Adjustable Foot
- Egg Rack
- Ice Box

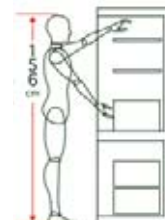

Large Door Pocket

The clever door pocket is designed for convenient storage and retrieval of large and small bottles and features handy side door access.

Crystal Clear Ice

The revolving ice maker features a unique ice cube tray that eliminates air bubbles to give crystal clear ice cubes. To ensure clean, fresh ice cubes every time, the revolving ice maker can easily be removed for cleaning.

Top Mount Refrigerator Design

For easy access.

Revolving Ice Tray

Ice cubes are released from the tray with just a simple twist of the revolving handle.

Multi-purpose Egg Shelf

Convenient and versatile, the egg shelf holds as many as twenty-four eggs, and is perfect for storing a wide variety of small food items.

- Silver Titanium Deodoriser
- Front Cooling System
- Crystal Shelves
- Frost Free and CFC Free
- Jumbo Sliding Chilled Case
- Revolving Ice Tray
- Fruit and Vegetable Crisper

- Multi-Purpose Egg Shelf with Two Egg Racks
- Big Bottle Pockets with Stopper
- Adjustable Door Shelves
- Adjustable Foot

Sliding Chilled Case

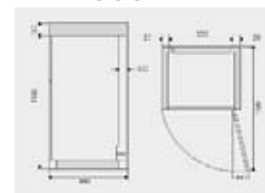

Equipped with a smooth-sliding roller, the sliding chilled case allows for easy access and is great for storing processed foods, fresh meat and fish.

Adjustable Door Shelf

Mitsubishi's adjustable door shelf offers more storage to suit your needs. The level of each pocket is fully adjustable for items of different shapes and sizes.
